AUSTRALIAN JOURNAL OF CHEMISTRY

Published by the Commonwealth Scientific and Industrial Research Organization.
Issued monthly, \$A8 per annum.

BOARD OF STANDARDS

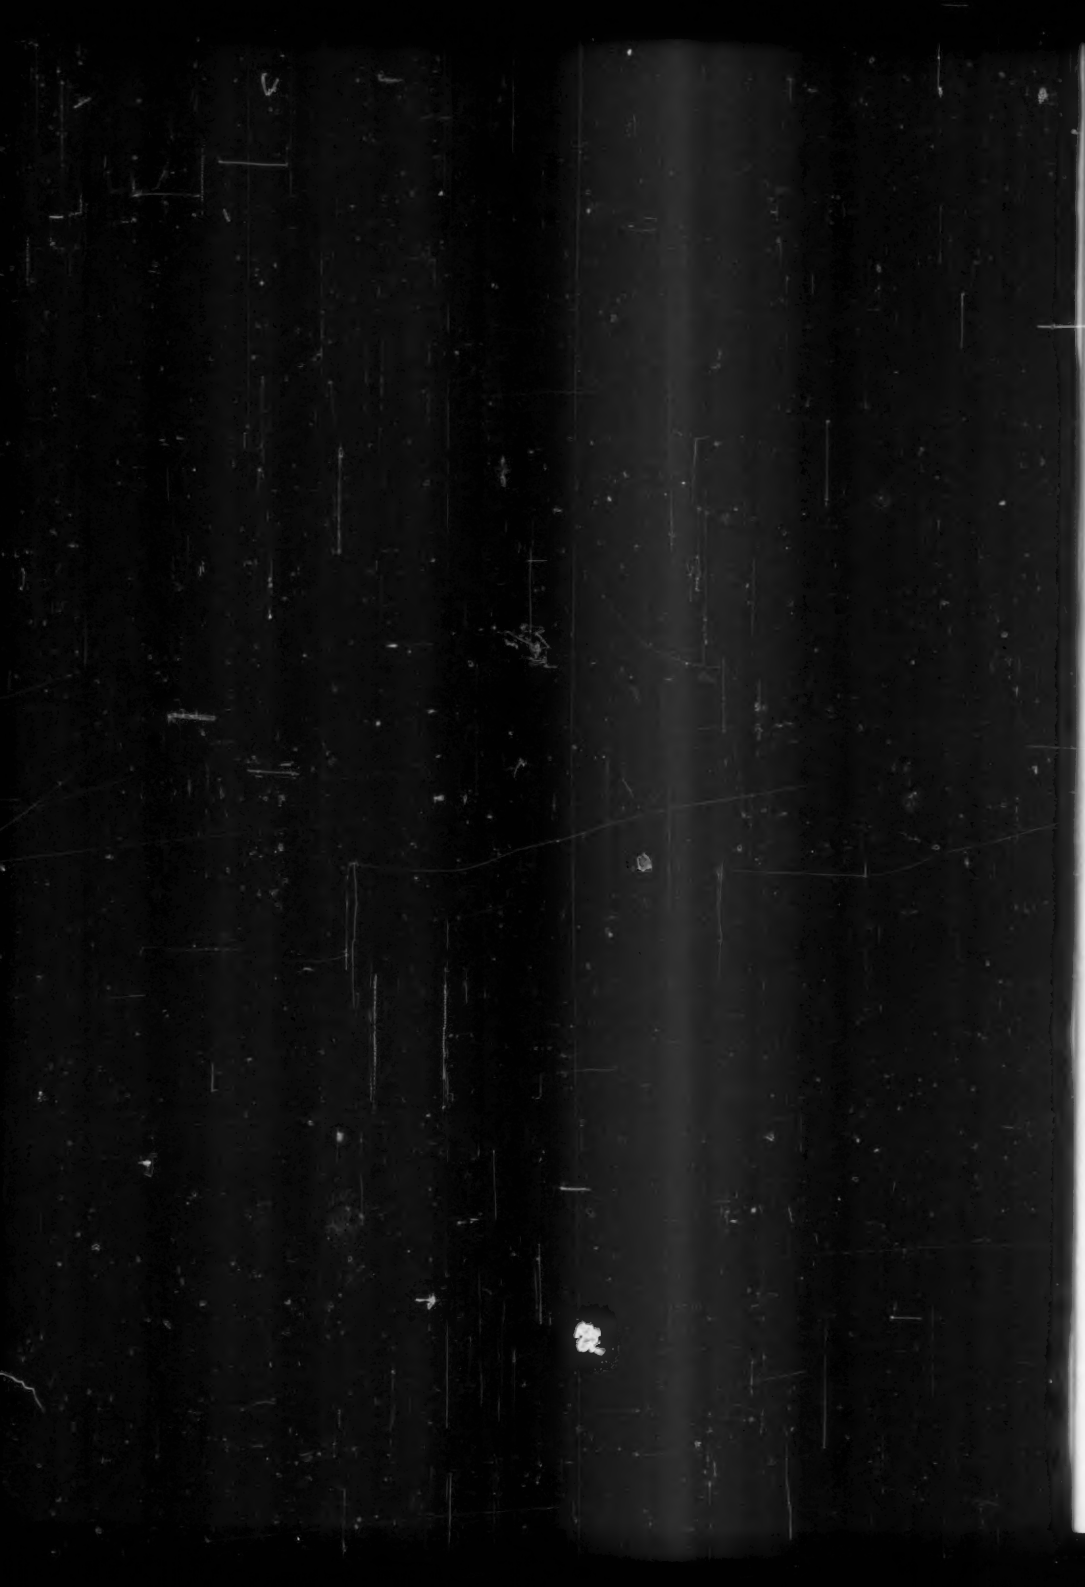

The Board of Standards for this Journal is appointed by the Commonwealth Scientific and Industrial Research Organization and the Australian Academy of Science and consists of Professor C. W. Emmens (Chairman), Mr. A. E. Scott (Editor-in-Chief until 31-8-71), Mr. B. J. Walby (Editor-in-Chief from 1-9-71), Professor D. G. Catcheside, Professor C. M. Donald, Dr. S. D. Hamann, and Professor C. B. O. Mohr.

ADVISORY COMMITTEE

Acceptance of papers for this Journal is in the hands of an Advisory Committee appointed by the Board of Standards in consultation with the Royal Australian Chemical Institute and consisting of Mr. A. E. Scott (Editor-in-Chief and Chairman until 31-8-71), Mr. B. J. Walby (Editor-in-Chief and Chairman from 1-9-71), Professor S. J. Angyal, Professor A. L. J. Beckwith, Professor D. P. Craig, Professor B. N. Figgis, Professor R. W. Green, Dr. S. D. Hamann, and Professor I. G. Ross.

The Organization is a signatory to the Fair Copying Declaration, details of which may be obtained from the office of the Royal Society, London.
All enquiries and manuscripts should be forwarded to:
